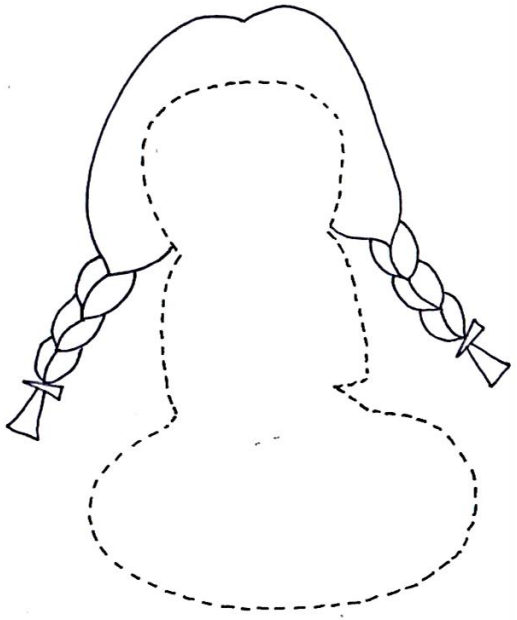
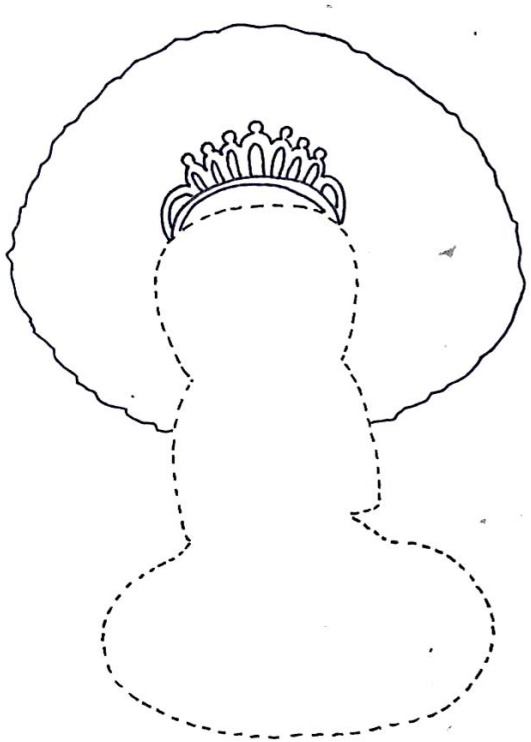
Cara amica Scimmietta, che ne

dici di fare un bel paio di treccine?



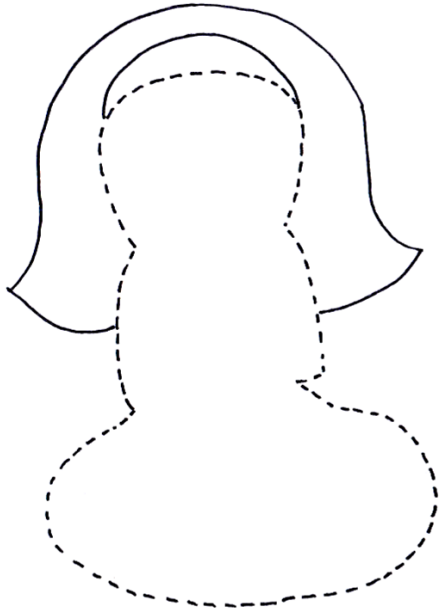
E una bella acconciatura da

principessa?

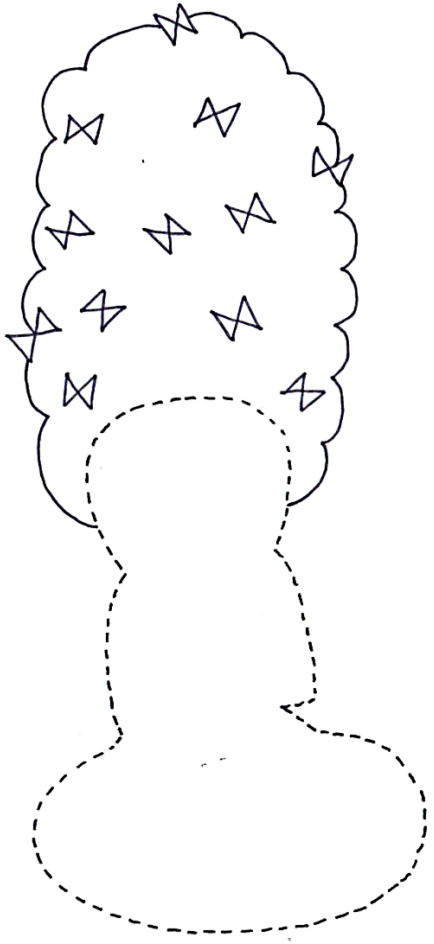


Forse preferisci una colorata fascia

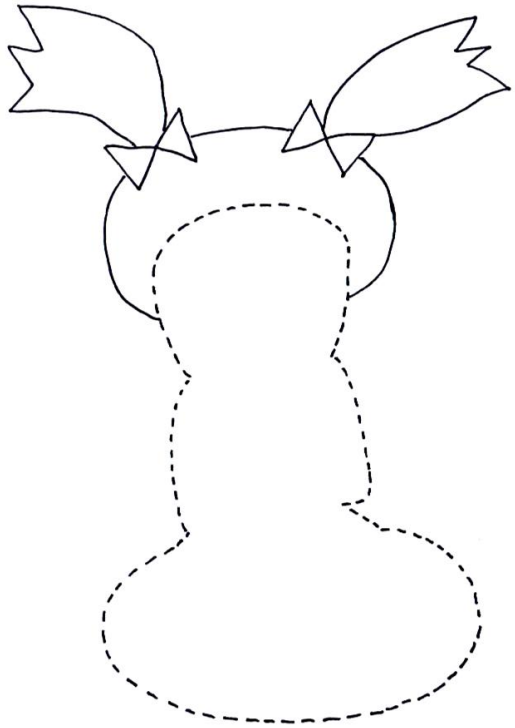
per i capelli?



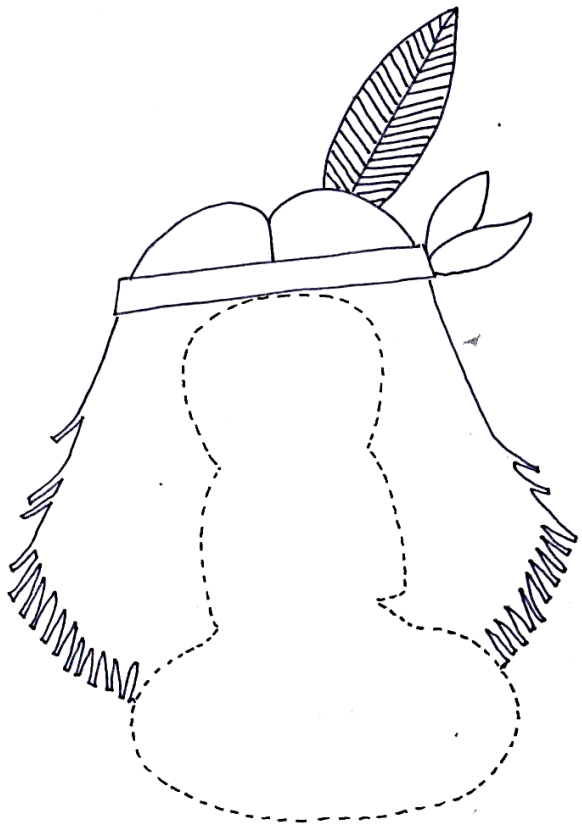
Oppure si potrebbe fare una graziosa acconciatura con fiocchetti a volontà!



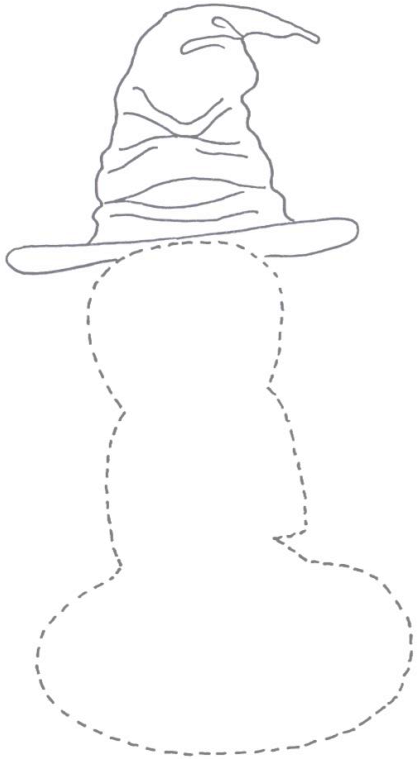
Meglio due codine sbarazzine?



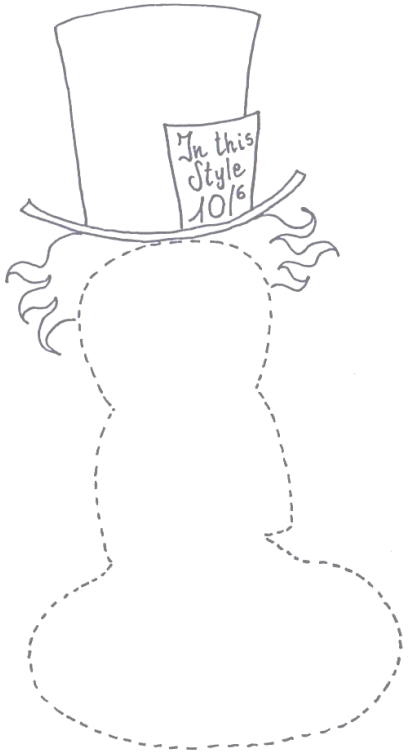
Aspetta… Potresti travestirti da indiano!

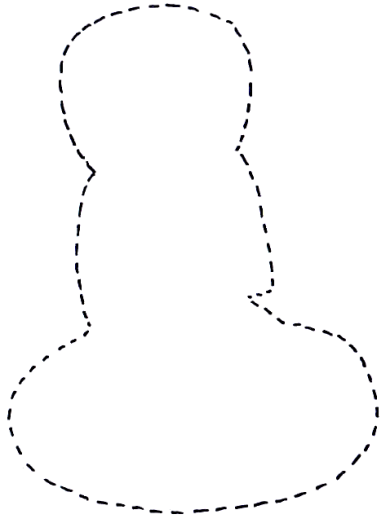


E se indossassi un bel cappello… parlante?



E un classico cappello… un po’ matto?





ADESSO INVENTA TU!
